White throat 004-702-1001-00
Gray throat 004-702-1002-00

\$157.04

The ParaskimV venturi skimmer utilizes venturi action to deliver more skimming power with the pump running at low speeds for better energy efficiency and surface debris removal.

It's up to 70% more efficient than other venturi skimmers and up to 200% more efficient than regular skimmers. Our newly designed weir door offers better water flow and prevents most debris from getting trapped.

EDC Equipment Side Debris Canister

EDC - Equipment Side Canister

004-152-4516-00

\$225.68

- Conveniently located and mounted at the equipment pad for easy installation and maintenance
- Plumbed before the circulation pump to trap debris from spa, skimmer and main drain lines before it reaches the pump and filter
- Eliminates an additional deck lid for a cleaner looking pool deck

DDC2 Debris Canister

DDC2 - Deck Side Debris Canister Without Deck Lid & Ring

004-152-4720-00

Includes basket, fine mesh bag and 3" street ell.

\$205.92

DDC2 - Deck Side Debris Canister Complete

White 004-152-4720-01

Beige 004-152-4720-07

Lt. Gray 004-152-4720-08

Includes deck lid, deck ring, basket, fine mesh bag, pressure test plugs, 3" street ell.

\$230.88

- Conveniently located pool side for easy access
- Holds 300% more than most pump baskets
- Quick and easy debris removal; no threads, clamps, or seals
- Pre-filters heavier debris to keep the pump clear of debris that could restrict water flow.

The powerful combination of Paramount's ClearO3 ozone oxidizer and Ultra UV2 ultraviolet sanitizer makes your pool cleaner, healthier, sparkling clear and dramatically reduces the amount of chlorine needed to maintain an adequate level of residual sanitizer saving you time and money year after year.

All Combo Units ship with ClearO3 dual voltage, the Ultra UV2 must be selected as 120v or 230v.

Water Leveler

- Simple to set and use
- Easy, accurate "Posi-Click" adjustment
- Smaller footprint in your pool deck
- Large balance line
- Overflow line ready
- Quick fill capable
- Service industry friendly
- "Smart-Sensing" not affected by water splashing
